

SCI Tax Services

This year SCI is pleased to announce a tremendous service that provides you with the necessary assistance to help with something we all dread each year.

FILING OUR TAXES....

This service will help you stay current with your tax obligations and protect you from State and Federal tax departments. Even if you are currently **not** active on the SCI Program you may still take advantage of this service.

Services provided include:

Individual or Joint returns for both Federal and State for the current tax year including a Schedule C. (discounts for additional schedules available)

Calculation of tax estimates for the upcoming tax quarters

E-Filing of tax returns

SCI's tax savings program allows you to save for your quarterly payments

Optional Services Available:

Filing of Previous Year Delinquent Returns

Review Previous Year Returns for Accuracy

Direct Deposit

Rapid Refund

Phone review of Return with Tax Professional

SCI Tax Service Program (please initial below):

_____ I wish to participate in SCI's tax service program and hereby authorize Subcontracting Concepts, Inc ("SCI") to **deduct a non-refundable \$125.00 from my next available settlement check for the tax services.**

This deduction entitles me to tax services for the 2011 tax year ("Tax Year"). I understand the rate of \$125.00 is a discounted rate negotiated by SCI as a benefit for its Program Members and is intended to assist me in meeting my tax obligations. The negotiated rate is for a tax return including a Schedule C, additional schedules carry an additional fee.
